Construction Corner for The Next 100 Years Capital Campaign

The ramp project continues!! SAFETY FIRST:

The contractor will be off the week of Thanksgiving.

The City inspector has given approval on the framing for the stage and downstairs ramp to be enclosed. The ramps and stage have been enclosed. The contractor is still needing to do the railings/wainscoting/trim on the upstairs ramp. Please be careful in using the upstairs ramp as it is not yet set up for those with accessibility needs. The downstairs ramp also needs to be finished and trimmed. The stage will continue to be closed off.

The Guild room is available for use by entering from the stairs below.

The hope is that the upstairs ramp will be finished and trimmed by Christmas services.

We appreciate your patience and understanding. For questions, please contact Dan Carlson-Thompson at 406 465 2022.

We are excited to continue this project that YOU made possible. Thank you

THERE WILL BE A FAIR-TRADE MARKET AT ST. PAUL'S UNITED METHODIST CHURCH

On Sunday November 24 from 9 AM to 3 PM, on the lower level of the Church, at the corner of Cruse and Lawrence, a Fair-Trade Market will be hosted

Each purchase supports fair wages, safe working conditions, and sustainable practices around the world. From beautifully crafted jewelry and home goods to cozy textiles and delicious foods, every item comes with a story—and a chance to create positive change.

When you buy fair trade, you're empowering artisans and farmers to support their families, send their children to school, and build brighter futures for their communities. Fair Trade isn't just a label—it's a lifeline.
