Did you know?

The Cathedral Office will be closed for Labor Day, Monday, September 2nd

The list for **Comfort, Healing & Hope** along with **Those Serving in Harm's Way** in the Happenings will be purged Saturday August 31st. Our list has been passed down each week until we no longer know who or why the current individuals are listed. How can you help? If you know someone on the list or want to add to our current list, please notify the Parish Administrator. No last names will ever be shared, and all information will remain private. At the end of every month the Administrator will contact you to discuss further needs of the individuals you have requested prayers for. Should anyone still need prayers, for any reason, those individuals will be passed on to St Peter's Prayer Chain. The Prayer Chain is made up of members of our Parish who pray daily for those on the list. When someone is added to the Chain all members of the chain are notified and they begin to pray.

If you have contacted the Parish Administrator and added new names in August, they will not be purged until September 29th. If you have any question, please contact the Parish Administrator (406) 442-5175

SEARCH COMMITTEE UPDATE

We want to thank all those who completed a parish survey and/or attended one of the recent listening sessions. We had 124 respond to the survey and about 30 attend each of the two listening sessions. Your interest and involvement is greatly appreciated.

The Search Committee is reviewing the data from the survey, compiling the comments from both the survey and the listening sessions, and preparing the Parish Profile. Once we have a better understanding of the information you provided, we will be sharing that with you.

We ask that you continue to keep us, this process, and our congregation in your prayers as we move forward in securing our next Dean.

Family Promise has three families staying in the churches.

- Family one – Mom and 17 yr. old son. They have found an apartment and will be moving on September 3rd!
- Family two – Dad (34), Mom (24), son (4), and 4-month-old daughter. Dad has a job working night shift, so he has been sleeping at the Day Center. The family drops Dad at work, then goes to the churches for a quick sleep, then picks Dad up after his shift. Last week they went and looked at a couple apartments.
- Family three – Mom and three daughters ages 3, 7, and 9. Mom works at Broadwater. They are waiting to move up on the Helena housing list.

Denmark and his son Antwon recently moved into an apartment. They are thankful for St Peter's generosity in obtaining household goods. Antwon is currently sleeping on a full size foam mattress on the floor. Please let Donna know if you know of anyone with an extra full sized mattress and box springs.
